Une équipe invaincue
dans le championnat !

by Pôle Communication, SaranFoot.

Notre équipe première poursuit son parcours sans avoir concédé de défaite en ce début de championnat. Elle confirme sa dernière saison et présente même des statistiques intéressantes après 4 matchs avec la meilleure attaque (10 buts) et l'une des meilleures défenses (4 buts).

Les favoris sont à l'affut mais nos joueurs démontrent de belles valeurs et beaucoup d'engagement avec un retentissant succès à l'extérieur 0-4 chez nos voisins de FC Saint Jean le Blanc lors de l'un des derbys de la Métropole d'Orléans.

Meilleur Buteur : Thomas ALVAREZ (no 10)
Meilleur Passeur : Thomas ALVAREZ (no 10)
Meilleur Bringueur : Adrien DESPREZ (no 3)
Classement des étoiles : Bryan CILLAN (no 5)

Some newsletters are created as money-making ventures and sold directly to subscribers. Sending newsletters to customers and prospects is a common marketing strategy, which can have benefits and drawbacks. Public organizations emit newsletters in order to improve or maintain their reputation in the society. General attributes of newsletters include news and upcoming events of the related organization, as well as contact information.

According to Wikipedia, newsletters are published by clubs, churches, societies, associations, and businesses—especially companies—to provide information of interest to members, customers, or employees. Google's definition of a newsletter is, "a bulletin issued periodically to the members of a society, business, or organization." A newsletter may be considered "grey literature". Newsletters delivered electronically via email (e-newsletters) have gained rapid acceptance for the same reasons email in general has gained popularity over printed correspondence.
